COP- I ain't no cop!

ANNOUNCER- This skit was brought to you by Righteous Insanity. You know a lot of people do everything they can to be something other than who God made them to be, and that's sad. You are beautiful the way God made you, and we want to encourage you to always be yourself, no matter where you go or who you are with. The only time you should ever be something other than yourself is if you are an undercover cop.

(Sound effect of gunshot or painful scream off stage.)

ANNOUNCER- Cause that might be bad.
